Kr. J. E. Curry Chief of Police

Subject: Eva Grant

Sirt

I talked to a confidential informant who stated that SUBJECT has contributed a number of times to the "School of Jewish Studies, New York City".

The School of Jewish Studies is reported to be a "Communist Front" organization and has been listed as a subversive organization by the Attorney General of the United States of America.

Respectfully submitted,

W. P. GANNAWKY, Captain Special Service Bureau
